

Get Fired Up

Kid's Firefighter Challenge 2008

For the Kid's Firefighter Challenge each child is outfitted with a helmet and "turn-out gear."

1. Child carries a shoulder load of hose 50'
2. Child sets hose down and demonstrates "stop, drop and roll"
3. Crawl through the tunnel
4. Advance a 1" wildland fire line with nozzle and (OPTIONAL IF HYDRANT AVAILABLE) using hose from striking a target
5. "Make the rescue" with an appropriately sized mannequin to the Finish line
